LILLY

Lilly has a particularly strong bond with her partner Jeff – he enjoys tying her up and teasing her lips and clit with his mouth. “I’m helpless as he slides his tongue up my slit. And then the door opens and his friend steps in, sporting an enormous erection. I’m powerless to resist as two cocks inch into my body!”

Swingers' sex lives flying high

My girlfriend Judith and I are swingers. We love threesomes and I have fucked our friend, Linda, many times.

She is a sexual powerhouse with beautiful breasts and a smooth, firm bum of near perfection.

One afternoon, I had just taken a nap when I awoke to find Judith and Linda had tied me to the bed. There was little I could do but go along with whatever they wanted.

Linda slowly stripped down to her thong, suspender belt and stockings, while Judith removed her kimono and was completely nude.

They put a blindfold over my eyes and I felt a light sensation on my cock.

Linda was using her tongue and she had me rock hard in seconds as she swirled it around the head of my penis.

I couldn't get over how great her mouth felt on my cock in my helpless state and soon she had the whole of my prick in her throat.

I was just about to cum when Linda suddenly stopped. "Not until you please both of us," she said.

Suddenly Linda was on my face demanding I licked her pussy. She started to grind her cunt into my face, so I had no choice but to lick her lips and swollen clit.

I pushed my tongue into her hole and suddenly I felt Judith climbing up onto the bed and sliding my cock up into her cunt.

> "She hammered my cock like a woman who would never get enough and cried out in climax"

Linda was really getting off on my mouth work and she started fucking my face as Judith fucked my cock.

Suddenly Judith produced an oil-coated vibrator and started feeding it into Linda's arse.

Linda immediately started bucking in orgasm and Judith allowed her to moved down

Not a tarty tribute to British girls as you might think from the Union Jack cover – French sex croissant Angell Summers leads a cast that also includes mucky Magyar Cathy Heaven and bouncing Czech Mishka Devlin. Harmony's *God Save The Kink* is more a celebration of the sex swing, that piece of shagging equipment that appeals to the out-of-breath over-30s as a good idea but rapidly palls when you bring the neighbours' floorboards crashing down. Leave it to the pros – like Angell Summers (*left*) – to show us how.

onto my prick so that she was getting fucked in both holes.

She hammered my cock like a woman who couldn't get enough and soon was crying out in climax.

Judith then turned on the vibrator and Linda went mad.

The buzzing was tingling the base of my cock and the moment I cried out that I was going to cum, Linda jumped off my cock and pulled it into her mouth.

I started shooting huge jets of spunk into Linda's eager mouth as she sucked me to completion and swallowed every last drop.

I barely had a chance to get my breath back when Judith laid her cunt on my face and told me to eat.

I polished off every drop of juice as Linda coaxed my erection back, then it was Judith's turn to fuck my big juicy cock.

I felt the buzzing vibrator slide into Judith's arse as she rode my cock and it wasn't long before I was blasted hot sperm inside her warmth too.

Needless to say, the girls didn't untie me for another hour and a half, in which time they fucked and cavorted on top of me until they were

Taking the froth amendment

When I was staying at a friend's house a few weeks back, she said she had to pop out and run a few errands for an hour or two.

I asked if I could have a shower while she was away and she said sure, so as soon as she'd gone, I stripped off and stepped into her tub.

I hadn't bothered to locked the door because I never did at home.

Besides, her boyfriend was working in the back garden and I was secretly hoping he'd walk in and catch me while I was all naked and soapy.

I'd only been in there a couple of minutes when I heard his feet in the stairs. I began masturbating furiously and praying that he'd open the door, but instead he headed for the bedroom.

I was really disappointed and just finishing myself off when suddenly he walked in and caught me red-handed.

I pretended to be all embarrassed and apologised for not locking the door, and even made half a pretence to cover myself up, but then I noticed that Jimmy himself was naked.

"Room for one more?" he asked and I felt his eyes all over my body. I looked down at his dick and saw it suddenly twitch.

It took less than ten seconds to rise completely but when it did was enormous.

"You want me to wash that for you?" I asked, dropping my hands away from my body so that he could see everything.

"I thought you'd never ask," he replied, stepping in to join me.

I squeezed some shower gel into my hands and rubbed it into his rigid prick, working it to a rich soapy lather as the steam rose around us.

I worked the bubbles around his helmet and underneath his bollocks, dropping down to my knees for a closer inspection, then rinsed the whole thing off under the spray.

"I was hoping her sexy boyfriend would catch me all naked and soapy"

“What would you like now?” I asked, gently pulling on his stiff meat

Jimmy nudged his prick against my lips and I opened up and let him feed his long shaft inside until I had the lot in my mouth.

I sucked on his fat cock as he thrust backwards and forwards against my face, and wanked the base of his stick with my dainty fingers.

The water poured trickling over my cunt and ran down my arse and I used the fingers of one hand to play with my pussy as I thrashed Jimmy’s cock into my mouth with the other.

“Faster,” he told me so I tightened my grip yanked on it as hard as I could.

I could taste cum in my mouth already and started swallowing instinctively.

I slurped all over his hard-on with my lips and swirled my tongue around his head as I wanked him into my throat. Soon he was holding my head and grunting.

A second later cum burst all over the back of my throat. I milked his prick for every drop as he squirted in my face and I swallowed the lot down with a great gasp of satisfaction.

My own orgasm shook me as I drank the last of his squirts and the pair of us washed each other down as the tingles subsided.

Jimmy suggested we kept this to ourselves and we got dried and dress before my friend got back.

She still doesn’t know what happened with me and her boyfriend but I don’t think she’d be too angry with me for sucking him off. That’s what I tell myself anyway!

What's the difference between cunnilingus and a traffic cop with a speed-gun?
When you go down on a woman you can see the cunt behind the bush.

A lady was walking past a housing estate when she spots a young lad crying. "Are you okay? Why are you crying?" The boy sniffs, "My parents are over there, having a fight." He points to a crowd of people nearby. The woman looks over, then asks, "And who's your Daddy?"

The boy shrugs: "That's what the fight is about."

Where do you find a dog with no legs? Wherever you left him.

A GUY GOES TO SEE HIS GP AND SAYS, "I THINK MY WIFE MAY BE DEAD, DOC." THE DOCTOR LOOKS CONCERNED: "WHAT A THING TO SAY, FRED! WHY ON EARTH WOULD YOU THINK THAT?" THE GUY REPLIES, "WELL, THE SEX IS THE SAME, BUT THE IRONING IS STACKING UP TERRIBLY."

A new report reveals that scientists have discovered that most women will contain intelligent DNA at some time in their life, although unfortunately most of them spit it out.

A woman goes to a greengrocer to buy a cucumber. The grocer, proud of his attentive customer services, asks her if she would like him to slice it for her. The woman looks at him oddly and frowns, "No, thank you – it's a fanny I've got, not a bloody slot machine."

Mums have Mother's Day, dads have Father's Day, what do single men have?

TRUE CON

CYN LEAVES HER NERVES AT THE DOOR AT HER FIRST SWINGING PARTY

It was my first experience of swinging and I wasn't quite sure what to expect. My boyfriend had done it with his previous girlfriend and had convinced me that I'd love it. I'd been pretty wild at parties before, sleeping with more than one man in a night, but had never been in a situation so pre-meditated and so I was naturally nervous about the whole idea.

Before we left, I insisted to Pete that I had a few glasses of wine for courage, and by the time our car was pulling up outside his colleague's house, I was feeling more than a little tipsy. Walking through the front door, Graham and Lisa, who were hosting the party, met us and my first thought was how attractive they both were – individually and as a couple. I saw a collection of about five couples sat on the various sofas and seats in the living room, and feeling the nerves kick in again, I asked Lisa if I could get a drink. She pointed me towards the kitchen and said, "Help yourself," at the same time taking Pete by the hand and leading him in the direction of the rest of the party. Typical of him to leave me so soon, when he knew I was shitting myself, I thought, sighing.

I poured myself a gin and tonic and, wanting to kill more time, decided to get some ice cubes out of the freezer. As I pulled open the drawers, I suddenly felt a pair of hands on my hips and a kiss on my neck. I knew it wasn't Pete, but didn't know whether to turn around or not. The hands were now running over my stomach and carried on up over my breasts. My nipples were stiffening and the cold of the freezer made them even more rigid than usual.

"I ACTED LIKE HIS DICK WAS THE LAST ON EARTH"

Finally turning round, I was now facing Graham, who I'd met only minutes previously. His hands were still cupping my breasts, and he just smiled and proceeded to undo the buttons of my dress. I wasn't sure how to react to him; I certainly didn't know how to respond to such forwardness. My stomach was visibly fluttering as he worked down to reveal my panties. He kept going until he could eventually drop my dress back over my shoulders, leaving me standing there in my bra and knickers. Snapping out of my trance-like state, I reached for his flies and my fingers nervously unbuttoned them. He helped me, and soon his huge dick was revealed. I caught my breath slightly at the thought of it filling me up.

He steered me around until my arse was pressed back against the solid oak table. I noticed then that a woman who was loitering by the door was watching us, but Graham carried on as if he was fully aware of – or not in the slightest bit bothered by – her presence. Pushing me back, he then threaded my panties off, before

FESSIONS

getting on his knees and putting his lips against my pussy. Grasping my ankles, he positioned my feet on the table, so my mound and bumhole was exposed totally. He knew how to lick a woman, and was soon pushing his tongue between my lips and flicking my clit with it. As he took long strokes down my opening and round to my anus, I realised all my nerves had gone.

Writhing around on the hard table, I then began to go totally numb between my legs, feeling that he was on my clit and in my anus at the same time. However, I then sensed him stood up at the side of me, and realised that someone else was expertly working my pussy.

I lifted my head up to see the woman voyeur with her face in my fanny, her long dark hair draped over my thighs as she sucked at my cunt, making me as wet as I'd ever been. Graham's hand was then on the back of my head, feeding his length into my mouth, which I took until I felt the tip hit my throat. It was true what people say about women knowing how to give head to other women, as she knew exactly what she was doing, frigging my clit with her tongue so quickly but so tenderly. It was making me act like Graham's dick was the last one on earth, as I was tossing it off, deep-throating it and slapping it against my tits.

"I need to be fucked," I suddenly exclaimed. Without hesitation, Graham clambered off me, knocking a glass from the table with a stray foot, and positioned himself in front of me. My mouth was without something to lick for about 20 seconds, as I soon had the woman's thighs around my face and her sweet pussy against my mouth. Graham's head slipped between my lips and his dick filled my cunt, sending deep waves of pleasure through me.

He was now cradling my arse and pumping away at my hole, forcing me to breathe heavily between the woman's legs, as I desperately tongued her fanny. This obviously turned her on, as she began moaning and grinding her twat against my open mouth. Graham was shagging me so hard that my tits were bouncing back and slapping against her arse. This sent her over the edge and, with one final scream, I could feel her pussy widen and the taste of her juices in my mouth.

Graham kept riding me as she sucked at my tits and worked my clit. As my climax subsided, the woman had Graham's dick in her hand and was tossing it off over my tummy, eventually covering it with his spunk, his cream running down and making my pubes sticky.

I looked around the kitchen to find that my boyfriend, Pete, had been watching me, his dick in his hand, stood in nothing but his boxer shorts. Lisa was with him and they were both grinning at me like cats that had got the cream. And that was just the start of the night!

Welcome to my pleasure dome

> **"Juice was dripping out of me as my turned-on man watched me wanking"**

As an avid *Razzle* reader and I just had to write in and share a sexual adventure my partner and I had.

One night last summer my partner and I went out for a couple of drinks. We sat in a dark corner of the pub. Before long we had started touching each other.

His hand slid up my dress and started rubbing my clit. My pants were getting really wet but I was loving it. I started to rub his straining crotch. The bulge in his trousers was very noticeable. He started to work his fingers in and out of my cunt. It was heavenly!

We were both feeling very horny by now and the thrill of doing it in public turned us on even more. After a while we left the pub and got into the car.

We drove around looking for a place to park up – I badly wanted fucking. We came to an empty field, turned in and stopped the car. I had been frigging myself frantically all the time we were driving.

Juice was dripping out of me and my man was getting extremely turned on as he watched me wank.

I got out of the car and started dancing exotically in the glare of the headlights. I undid my red coat before slowly removing my dress.

There I was in the middle of a field in just my sexy stockings and suspenders and I didn't care if I was seen. I

“My arse was wet and dripping with cum but I just couldn’t stop”

carried on frigging myself till I was wet and dripping.

He came over and started licking my pussy until I had a multiple orgasm. Then he stood up and I unzipped his trousers. I pulled his big cock out and started sucking it hard.

I sucked his helmet and the length of his shaft. He was groaning with pleasure and his cock was growing harder by the second. I desperately wanted it up me.

He slipped his fingers up my arsehole and started pumping them in and out. I was in ecstasy, screaming and groaning and begging for more.

“Fuck me you swine!” I shouted. He slid his cock inside my dripping pussy. Then he thrust so hard I screamed even louder.

He was all the way inside my pussy and I could feel his balls banging against my arse. “You’re a dirty little bitch – and you’re loving every minute of it, aren’t you!” he said.

We were moving in perfect time and my pussy was ready to burst. I couldn’t hold back any longer and I yelled out and came all over the place.

My arse was wet and dripping with cum but I just couldn’t stop. Then with an almighty thrust, his spunk filled my pussy, burst out of its entrance and ended up dripping down my legs and quivering arse.

I licked our mingled sex juices off his cock. After a breather he got his camera out and took a few shots to remind us of our special night.

When we got home we were feeling horny all over again and got back in the saddle! My partner has promised if this letter is printed we can do it again, so please make my day!

tracey cox supersex sensation stroker

supersexsensation
triple-texture see-through male masturbator
traceycox

Sexpert Tracey Cox has been cashing in on our sex lives for some time now and finally she has come up with something worth sticking your hand into your pocket for. The Supersex Sensation Stroker is a wanking tube with three chambers of ridges, ribs and bumps. You'll need a good dollop of lube and a fist, either yours or a willing other's, and you are all set to go. Or cum, I should say. The tighter the squeeze the more you'll benefit from the textures. The stroker is open-ended for easy cleaning and remember, swordsmen, you need lube with this!

bedtime bullet

This little fella is a combination of all the best bits from the top rabbit sellers and (woo hoo!) does it pack a punch for such an innocent little bunny. There are ten settings with three speeds and seven patterns, so if this doesn't get your juices flowing, God knows what will. Just pop the ring round your finger and guide the bunny's ears to your clit and have a good fiddle about until you're all fucked out. Don't worry about the wire, it's 32 inches: long enough for plenty of orgasmic arm jerking!

Lucky fucker

Rosie & Clive

My husband and I love your mag – especially the letters and stories – so I thought I'd write and tell you about the Xmas prezzie I gave to my husband last year.

Well, after 10 years, even though we still love each other, the sex between us was getting a bit tired. It was because of this that I wanted to give him something special for our 10th Christmas together, and after discounting sexy undies and edible body paint, I had a wicked thought.

My husband had a fantasy of us going dogging for as long as I can remember and although the thought of it had always turned me on, I never had the guts to do anything about it. I got a bit annoyed with Clive whenever he brought it up, feeling like he was pressuring me, so over time he eventually just gave up mentioning it. Maybe I could arrange something special for him…?

I searched on the internet for some more information about dogging and found a few recognised locations near us. I decided that I'd drive out to one of them the next evening and take a sneaky look. I told myself that I'd only have a look, and wouldn't get involved under any circumstances.

"My pussy was oozing as I watched them fuck just a few feet away"

The next night when I arrived at the site, a few cars were already parked up. I was a little nervous on my own, especially when I noticed that a couple of guys were wandering around the area, and another was sitting in his car. I hope they didn't think I was out for any fun! I made sure all the car doors were locked and kept my head buried in a magazine I had brought along.

After around half an hour, I was just thinking that this particular spot was a waste of time and was about to give up, another car pulled in. It parked near enough to me that I had a clear view of the couple inside. They were in their 30s, and the woman had big breasts. The guy proceeded to push up her top to free her big, bra-less boobs, and began sucking on her nipples and kneading her tits. The couple's car had the attention of the other voyeurs around too – all of a sudden, quite a few men appeared and were watching what was going on.

The woman got on all fours across both front seats, her arse pointed towards us, her fanny glistening wet. The guy got his hips behind her, with his body half on top, half to the side of her because of the tight space. He thrust forward and began fucking her. I don't mind telling you that my pussy was getting wet watching them fuck just a few feet away from me.

When they were done they rearranged their clothes and drove away. So it was as simple as that, was it? I couldn't believe what I'd just witnessed! I shifted in my seat as my soaking crotch throbbed, but however tempted I was to pull up my skirt and frig away at myself, I had promised myself that I would behave this evening. I drove home, thinking about how I would surprise Clive and hoped that we, too, would have a captive audience.

One week later was Christmas Eve and I was ready to put my plan into action. I told Clive that I had organised a surprise for him that evening – my present to him – and to be ready to leave by 9pm. I got ready for the night ahead, showering and preening before doing my make-up and hair, then pouring my curves into a 'sexy Santa' outfit that I had bought from the internet.

When I went downstairs to show Clive, his eyes nearly popped out of his head! I couldn't remember the last time I wore a short skirt and here I was in a red velvet, fur-trimmed mini-dress, with a matching cape teamed with red fishnet stockings and red thigh boots. I felt as sexy as hell and I knew Clive's imagination was now in overdrive about that night's events.

I was still being cagey about his surprise when we arrived at the location I had previously checked out. I noticed that there were already several other cars parked up, and once again there were a few guys milling about. Clive looked at me, quizzically. I think he had a good idea what I had in mind by now, but there was no way he would voice it.

Lucky fucker

Lucky fucker

Without saying a word, I locked the car doors so no-one would be able to get in – I wanted to keep the actual sex between just us, at least this first time, anyway. I turned to Clive, lowered the cape from my shoulders to reveal my strapless, low-cut dress and whispered sexily, "This is your Christmas present, honey. I hope you enjoy it…"

Then I switched on the interior light so everyone would get a good view of us and ran my hands down, over my voluptuous body, pulling the elasticated neckline down as I did, to reveal my ample boobs. I heard Clive gulp, loudly. I could already see that we were becoming the centre of attention, as all eyes were on our car. We put the seats back to give us a bit more room, Clive still having not said a word, but now with a huge grin on his face. This was it… We were going to fuck in public, giving a sex show to the guys outside!

A few years ago I would have thought these people were dirty bastards, but now, having been a voyeur myself and wanting them to see us fuck, I thought of them as 'in' on what we were doing. They weren't perverts as I'd have once thought of them, they were part of a mutual thing – we wanted them to watch, and they wanted to watch.

Clive leaned back on the seat and I bent over him so my tits dangled in his face, undoing his trousers and freeing his cock. He was already almost fully erect, so I wanked him a bit to get him completely stiff, as he took my nipple in his mouth and nibbled on it, gently, making me gasp. I sucked his dick into my mouth, taking in as much of his length as I could. I bobbed up and down on it, working my tongue around his shaft and tickling his helmet with it every now and then. Every time I bobbed down on his dick my tits pressed against his thigh. Clive held my head while I noshed on his cock, pushing me further down and making me swallow more of his length.

I wondered what effect our show was having on the people watching – I hoped it was turning them on. It was certainly turning me on! Just then I felt Clive's hand slide up my leg and touch my pussy. He was testing to see if I was wet – and I was dripping. He even said that I was really wet, which was unusual for my usually-silent husband. He slipped a couple of fingers into me and thumbed my clit, causing me to moan loudly.

> “We were going to fuck in public, giving a sex show to the guys outside!”

I pulled my short dress up around my waist so the voyeurs outside would be able to see all the action. He rammed his fingers in and out of my hole, finger-fucking my wet gash while I sucked as hard as I could on his stiff prick. It was cramped in the front of the car, but we didn't care. I already knew Clive was close to cumming because I could taste his salty pre-cum, so when he said he was going to spray his load I lifted my head up and started to furiously wank his cock. I was rewarded with his spurt of hot spunk

splashed over my lips and chin. I licked my lips to taste his spunk, enjoying every drop.

By now my cunt was aching to feel Clive's cock inside it, so I wanked him back to full hardness. As soon as he was completely stiff again, I lifted my body up to straddle him. I knew that it would make sure anyone watching would get a good view of my soaking fanny. As I lowered myself onto his rigid shaft, I took my first glance outside of the car since we began. What I saw was a shock, but it was also so sexy it sent me wild with lust. Four guys were standing at the front of the car watching, and each one had his cock out and was wanking over our show!

As I said, it sent me a little wild. I bounced up and down on Clive's dick as hard and fast as I could. His dick was going into me so deep I could feel my arse slap against his balls. When I came, my body shook and I shrieked at the top of my voice like a woman possessed! It took me a couple of minutes to catch my breath. I just sat there, speared on Clive's cock, until I had recovered enough strength to climb off.

Clive didn't cum again – he said he needed to recharge a bit more first, so when the 'wankers' around our car had dispersed and we'd cleaned ourselves up, we headed home. Clive said it was the best Xmas gift he'd ever had!

Since then we've done it again, and are going to try new locations too. Our sex life has never been better – I can recommend being watched as the biggest turn-on ever. I have to think of a better present this Christmas to top it! Gangbang, anyone?

Rosie, Northants.

TRUE CON

SHARON RECOVERS FROM HEARTBREAK WITH A LITTLE HELP FROM HER FRISKY FRIENDS

I've only recently become single, and can hardly bear the thought of trying to go out on the pull. I'm not really interested in one-night stands as the sex is usually bad, and I wake up the next morning feeling very different than I did the night before.

Instead, I've been spending time with close friends and a couple of people I've met from work. Kathleen and her partner Craig live just round the corner, and I'm always popping round for takeaways and just to watch a video, or the soaps. Every time I see them together, however, I've got to confess to a little jealousy as he's a really good looking guy, and he's always given the impression that he only has eyes for Kathleen.

One evening we were having dinner at their house and, for some reason, began talking about infidelity. "You must have cheated on Steve a few times," said Kath, referring to my ex-boyfriend. Embarrassed, but a little too tipsy to be coy, I replied, "Yeah, of course, everybody does." As soon as the words left my mouth, I realised what I'd said, and stammered quickly: "Well not everybody, I mean, you two are obviously in love." Craig just smiled, while Kath responded "That doesn't stop you wanting to sleep with other people, isn't that right Craig?" I looked in his direction, as his smile turned to a cheeky grin, whilst Kath continued "He'd love to fuck you, wouldn't you Craig?" Craig nodded, and Kath soon filled the awkward silence. "I don't mind, you know? In fact, I'd like him to if it's okay with you?" How do you answer a question like that? The simple fact is, you don't. Instead, you find yourself on the sofa with one friend yanking your clothes off on the sofa, while the other friend watches urging him on.

I was soon naked from the waist down, with my cardigan unbuttoned, revealing my heaving chest in my bra. My heart was beating so hard that it took Craig's mouth around my tit to hold me down, as I writhed around in pleasure underneath him. Kath was watching intently from the side, whilst Craig's tongue searched every inch of my chest and stomach, before flicking at my clit. He went to work on my pussy, taking long strokes against my lips, and forcing them apart with the flat of his tongue. Kath, meanwhile, was stroking my hair as I panted and gasped my approval.

Soon, she was also fondling my breasts, and although I had never had a sexual experience with a woman, her gentle hands made my nipples rigid straight away. My own hands were on the back of

"THERE'S NO END TO KATHLEEN'S SEXUAL APPETITE"

FESSIONS

Craig's head, pushing his face into my cunt with my legs splayed wide. By the time he had finished eating my pussy, I was dripping wet with anticipation for his cock. It barely seemed strange at all, having Kath bite and chew my nipples whilst Craig manoeuvred his dick into position at my entrance. I was so moist that with the first thrust he slipped easily between my folds until his length filled me right up. I felt all the muscles in my lower body relax as he began to pound away at my twat. Kath's tongue and palms were now circling my quivering tummy, and I loved every minute of it.

I don't know what came over me, but I suddenly took hold of her hair, and steered her face downwards until her tongue was against my clit. From the corner of her eye, she kept looking at me as she licked it gently at first, applying more pressure each time. I bit my bottom lip in approval, and knowing that I couldn't take my eyes from between my own legs, she began to act even filthier.

Dragging Craig's dick from out of my pussy, she took it straight into her mouth. Sucking him deep into her throat, she then pulled her head away from it, leaving a trail of glistening saliva. "Mmm," she moaned at me, referring to the taste of my pussy on his cock. I caught my breath all short and panting as she fed his pole back inside me, and went straight back down on my clit.

Soon, I was being turned over onto my tummy and hoisted on to my knees by two strong hands around my waist. Craig's prick was soon inside me again, and he began to really fuck me hard now. Almost to my disbelief, Kath parted my arse cheeks and began to tongue my crack with long, hard strokes. When she finally rested against my hole and poked the tip gently into it, it was too much to bear.

An orgasm ripped through my body and I pushed my cunt back hard against Craig's dick, desperate to keep his full length inside me as I came. As my face flushed, I felt him quicken his thrusts, knowing that he was about to blow his load inside me. It happened almost instantly, and with my own climax still in full swing I was filled with his warm jizz. "Yes! Yes!" I could hear Kath exclaiming as he continued to spurt deep into me.

When he had finally finished, he slowly slipped from inside my pussy, only for his meat to be replaced with Kath's face. She was devouring every part of my pussy, French kissing my opening and tasting both our juices. I couldn't believe what a filthy whore she was! She didn't stop until I couldn't take anymore and slumped forward on the sofa. However, she wasn't even finished there, as she kissed and stroked my back until I fell asleep totally spent. When I woke up, it was clear that she had done this to get herself in the mood, and I found them in the bedroom with her riding him.

I've since discovered that there's absolutely no end to her sexual appetite. So, as you can imagine, I can't begin to tell you how much time I spend with them now!

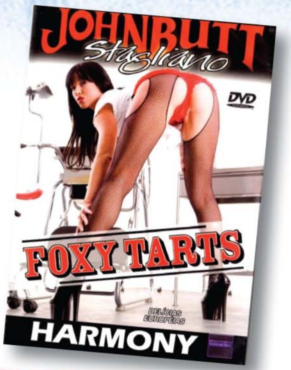
RESOLVE TO START THE NEW YEAR EXPLORING YOUR KINKIER SIDE

Filthy Fantasies



Foxy Tarts

Released by: Harmony Films
Starring: Lolly Badcock, Katie K, Renee Richards, Ree Petra, Loona Luxx, Melvina Raquel, Strap-on Jane

BEST BITS: Director Strangelove lives up to his kinky reputation here, with every scene giving us his unique insight on the world of fantasy fetishism. Ree Petra performs in the freakiest scene in the movie, sucking and fucking three guys in rubber clown masks to completion before being strapped to a sex wheel but the most outstanding pairing is that of delectable honeys Lolly Badcock and Katie K (*left*) starring in an explosive anal-filled scene set in an operating theatre, with the help of a gynaecologist's chair, double-ended dildo a golden shower and a couple of PVC nurses outfits! Did we mention that Katie straps a dildo to her chin to fuck Lolly's perfect pussy, or that just as you think the scene is over, legend Strap-on Jane joins in on the action?

WORST BITS: The main annoyance in this movie is during Ree Petra's scene, with the overuse of split-screen shots. Yeah, it's clever, but nobody wants to have to concentrate while wanking! Plus, you sometimes get the feeling that Strangelove is trying just that bit too hard to be, well, strange.

DVD FEATURES: A decent photo gallery, cumshot recap, trailers – seen better.

KAYDEN KROSS
BIBI JONES
RILEY STEELE
STOYA
Babysitters 2

Released by: Digital Playground
Starring: Jesse Jane, Kayden Kross, Stoya, Riley Steele, Bibi Jones (*left*), Jynx Maze

BEST BITS: Ever since *Rita, Sue and Bob Too*, thousands of men have had crushes on the babysitter, so Digital Playground went and made a porn film about them! *Babysitters 2* is just as good as its predecessor with the quality stars, lighting, scripts and editing that we've come to expect from a DP production. The orgy scene with Bibi Jones, Jesse Jane, Kayden Kross, Riley Steele (*right*), Stoya (*far right*) and a single stud has to be seen to be believed.

WORST BITS: The movie is hampered by numerous and weak close-ups, – making the otherwise scorching threesome with Riley Steele somewhat difficult to follow. I actually found myself thinking, "Erm, whose leg is that?"

DVD FEATURES: DP haven't been stingy with the extras – there's an entire disc of them!

Tides Of Lust

VivThomas
TIDES OF LUST

Released by: Viv Thomas (Girlfriends Films)
Starring: Eve Angel, Jo, Viktoria Diamond, Lana, Nicole Smith

BEST BITS: Five scenes featuring exactly what we've come to expect from the king of lesbian porn, Viv Thomas: high-budget film of the sexiest girls having the hottest sex in beautiful locations, with stylish lighting, camerawork and angles. Leading ladies – and Viv Thomas faves – Jo and Eve Angel shine in their scene, the chemistry and familiarity is obvious between the two and makes for an intimate and sensual romp. This is the best we've seen out of the gorgeous pairing to date. The only other indoor shag sees relative newcomers Nicole Smith and Lana getting it on, rimming and pussy-eating with aplomb. Yum.

4/5

WORST BITS: Although the storyline is enjoyable, a lot of the acting is wooden. The fact that some of the girls speak very limited English (hence the occasional subtitles!) doesn't help the poor things much. One last niggle: during Jo and Nicole's outdoor tryst, it would have been nice if VLT had seen fit to edit out the ducks – the constant, background quacking put us right off our stroke.

DVD FEATURES: Trailers and website info.

Pussy Galore 2

HARMONY
PUSSY GALORE II
GAZZMAN
HD
R18

Released by: Harmony Films
Starring: Shay Hendrix, Hannah Shaw (*bottom left*), Samantha Bentley, Franki, Jess West, Kloe Kane, Sophia Knight

BEST BITS: *Pussy Galore 2* boasts a stunning threesome between sexy Shay Hendrix, stunning Sophia Knight and Samantha Bentley, with fingers and tongues disappearing into every hole. Sam stands out again in the third scene with brunette Franki – the chemistry between the two is immediately apparent and the rampant dildo action – both anally and vaginally – makes this scene the best. We should also mention the three-way with Hannah Shaw (*left*), Jess West and Kloe Kane, which is well worth a wank, if only for the strap-on fucking.

WORST BITS: The whole movie may be shot in a gorgeous Scottish castle, but the locations chosen are uninspiring.

DVD FEATURES: Photo gallery and trailers.
